Category Signage

All Areas

Category Signage Shelf Bracket Clamp. Clamp can take print of 5 thick . The sign holder is hinged, so the Aisle Fin will re-centre when moved. The bracket fixes to the shelf by clamping onto the underside of the shelf bracket. The front of the bracket angle can be adjusted for use on angled shelves. Areas of use for this sign holder are where shelves might be wire, be at an angle, have a riser, larger than normal front (Wood Front) or have under-shelf lighting. Code: METAL CAT CLAMP

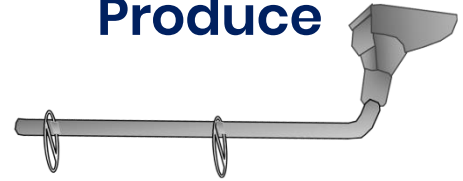

Aisle Category Signs Shelf G Clamp

Category Signage Clamp. G Clamp can take print of 5 to 6mm thick (recommended material Foam Board). The sign holder is hinged, so the Aisle Fin will re-centre when moved. This makes it the ideal category signage solution for store aisles.

Code: MET 01

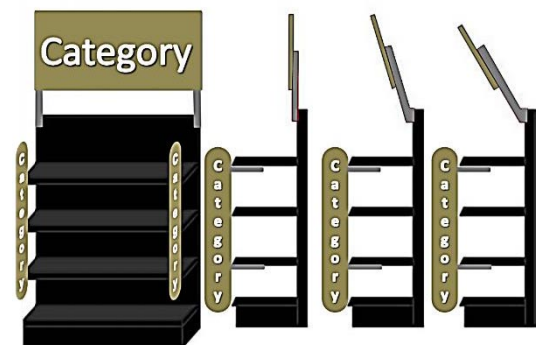

Magnetic Arm Chilled Produce

Magnetic Aisle Sign Holder for under shelf on metal shelves. Recommended for use in refrigeration rather than main floor ambient shelving. Base is adjustable for use where shelves are angled & the arm has 2 hooks for holding pre punched signage

Code: MAG-ARM

Aisle Category Signs – Headboard Holder

Adjustable Category Headboard Brackets. Brackets take print which is fixed using 2 clear screws on each bracket (recommended material for sign is 5mm Foamex or 5mm Foam Board but other materials such as O80 board can also be used however the better effect is with one of the first two recommendations).

Position 1: Straight at right angle above the section, as in drawing to the right.

Position 2: 20 degree Tilt forward as in drawing to the right.

Position 3: 30 Degree Tilt forward as in drawing to the right.

Spring Loaded Pusher System

**Striking Presentation
Generates Sales**

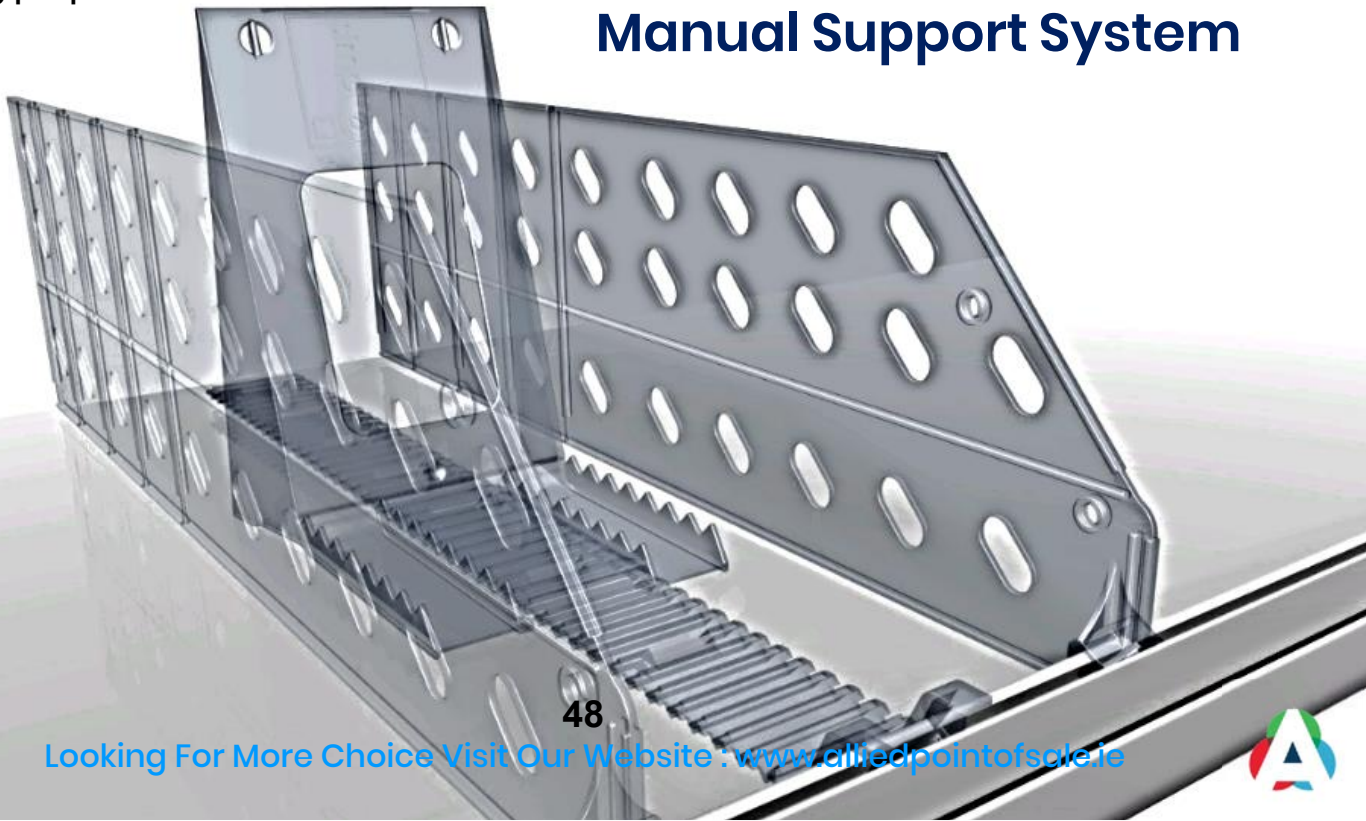

Designed for **chilled produce presentation**

Why SimpleClick Fresh?

- Better presentation increases impulse purchasing.
- Improves stock management on shelf by maintaining discipline of category.
 - Promotes Stock rotation
 - Reduces waste
- Maintains fully faced off shelf even when shelf stock is low.
- Product always faced off, gives improved shop-ability for shopper.
- Product presented at shelf front provides greater range visibility to the shopper.
- Allows shopper to find product easily.
- Instant identification of off sales.
- Reduces re-stocking time and labour costs.
- Enhances the organisation and image of the category.
- High front rail system is designed to reduce visible residues on shelf, therefore presenting a cleaner shelf to your customer. The high rail system is also designed to allow the whole system (when de-merchandised) to be removed in one piece for cleaning purposes.

Manual Support System

Always....

..Facing

Maximum Possibilities with minimum parts

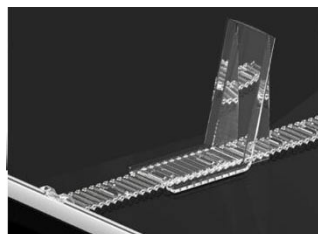

Fresh Front Rail Magnet, silver, length 1250mm. Use together with the Cool snap-off dividers, and /or Cool Product Pusher / Cool Ribbed Base and Standard Support or Large Support.
Code: CP PA-1003

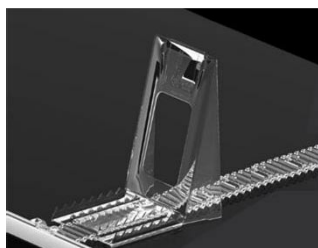

Fresh Breakable Divider 140mm high & 285 – 485 deep. Use together with the Cool Front Rail. Due to the specially developed nose of the Cool snap-off divider, rear attachment is not necessary.
Code: CP PA-1008

Fresh Product Pusher. The telescopic rail is adjustable and fits shelves from 330mm to 600mm. The pusher can be mounted both upright and at an angle for product display purposes. Suitable for Meat, Cheese, Ready Meals & Fish for product weights from 150gr to 250gr
Code: CP ZK-8006 (new code: CP ZLH1401)

Fresh Presentation Standard back support For use when products are difficult to push, such as cling film type packs. A spring loaded pusher can still be used to provide support if wanted, but may not be as effective. Size 80mm W by 140mm H
Code: CP PA-1009 + CP PA-1010

Fresh Presentation Large back support For use when large products are difficult to push, such as Pizzas, Garlic Breads & cling film type packs. A spring loaded pusher can still be used to provide support if wanted, but may not be as effective.
Code: CP PA-1009 + CP PD-6014

Some products need more solid based dividing systems for optimum presentation, easy refilling and fast facing up. Especially round shaped products needed a solution, when facing up, for faster merchandising of shelves and pusher systems that perform to their optimum. For these kind of products SimpleClick designed a new and innovative solution, the SimpleClick Universal T-divider with solid base. Because of this solid base the divider is rigid and unbendable in practise. This provides all difficult, shaped products the assistance for perfect product presentation, also creating a time saving when stocking and facing up your merchandise.

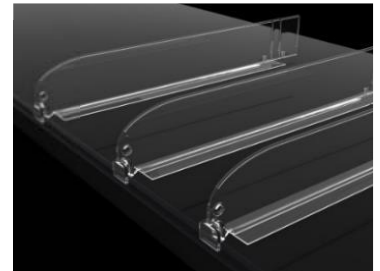

Designed **for main floor grocery shelving.**

Universal Base "T" Divider 60mm For use when pushing products to provide automatic facings. Can be used with below divider as front profiles are identical.

Code: CP PD-7385 Breakable from 385mm to 335mm

Code: CP PD-7485 Breakable from 485mm to 435mm

Code: CP PD-7585 Breakable from 585mm to 535mm

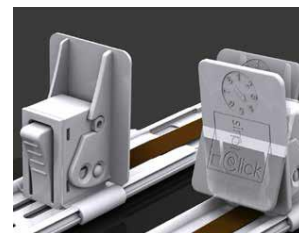

Pusher & Front Stop Including Adjustable Pusher Rail.

For use on wider than 50mm heavier product facing. This Pusher is designed to be used on shelf depths of 370, 470 & 570mm deep shelving systems. All other sizes between 370 & 570 can also be achieved as the base is totally adjustable & reusable to different shelf depths.

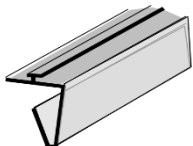

ZU-9013 (new code: CP ZLL0604) Pusher 50mm, 6N suitable for 100gr or less

ZU-9014 (new code: CP ZLL1004) Pusher 50mm, 10N suitable for 100gr to 150gr

ZU-9016 (new code: CP ZLL1404) Pusher 50mm, 14N suitable for 150gr to 200gr

Fixing Rails – Other shelf sizes available by request.

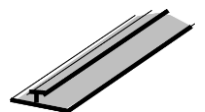

Universal U-channel profile. U-channel profiles can be used for all shelves with a front and back of shelf "U" channel.

Code: CP PD-4141 For 1 Meter Shelves

Universal Flat Shelf Adhesive narrow profile.

Comes with a flat adhesive base for use with all flat shelving shelves.

Code: CP PD-4105 For 1 Meter Shelves

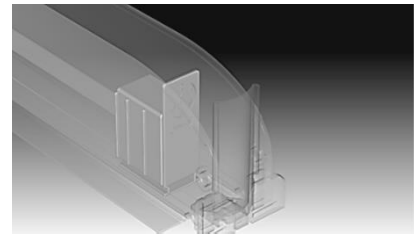

Universal Flat Shelf Magnetic wide profile.

Comes with a flat magnetic base for use with all flat metal shelves.

Code: Magnetic T Rail For 1.25 Meter Shelves

- Personal Care & Cosmetics (automatic front facings and/or organised shelves) – Medicinal & Vitamin – Skincare – Hair Care & Colours – Deodorants – Shampoos – Shower & Bath – Feminine Care – Male Grooming
- Baby Needs (automatic front facings and/or organised shelves) Baby Food Jars – Baby Food Blister Packs – Baby Food Boxes/Cartons – Baby Essentials
- Foods Of The World (automatic front facings and/or organised shelves) Spices – Soup Packs/Boxes – Sauce Packs/Boxes/Jars

Standard Light Pusher & Front Stop.

With Grey Guide Rail for products wider than 38mm. The **Straight High** Pusher is designed to be used on shelf depths of 360mm down to 185mm as the base is breakable to various lengths using the grey guide rail (Code: CP-ZO1013K).

Code: CP-ZF/8502 (new code: CP ZL0204)

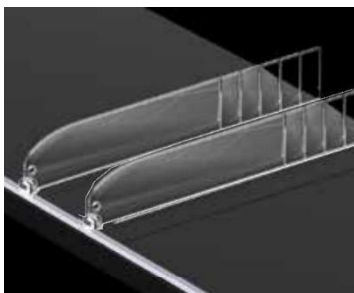

Pusher 50mm, 2N (less than 50gr)

Code: CP-ZF/8504 (new code: CP ZL0404)
